## **POSTPONED: Spring Open Buying Day**

March 18, 2020

Dear Vendor,

The Do it Best Spring Open Buying Day, originally scheduled for April 21, has been postponed as part of our COVID-19 virus prevention and containment efforts.

“Our top priority is the health and safety of our staff and our valued vendor partners,” said Dent Johnson, vice president of Merchandising. “While we regret having to postpone this event, our focus at this time is on supporting our business continuity plans as we fulfill the vital product needs of our store owners and their customers.”

We will announce a rescheduled date for this event at our corporate headquarters in Fort Wayne, Indiana, in the near future. At this time, the fall 2020 Open Buying Day remains scheduled for Wednesday, November 4, 2020.

If you are unable to attend the rescheduled Spring Open Buying Day or the Fall Open Buying Day set for November 4, you may request a refund of your donation to the Do it Best Foundation by contacting Sarah McCorkle at [sarah.mccorkle@doitbest.com](mailto:sarah.mccorkle@doitbest.com).

Sincerely,

The Do it Best Merchandising Division
